**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

**THE POLLS WILL BE OPEN FROM
11:00 A.M. to 6:00 P.M.**

To the Inhabitants of the Town of Eaton in the County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Evans Memorial Building (Town Hall) in the Town of Eaton, County of Carroll on Tuesday the fourteenth day of March, 1989, at eleven o'clock in the morning to act upon the following subjects hereinafter set forth. The polls shall open for balloting at 11:00 A.M., or as soon thereafter as the Moderator calls the meeting to order and declares a quorum present. Voting on Article 1 (election of officers) and Article 2 (proposed amendments to the Town of Eaton Zoning Ordinance), shall be by official ballot. The remaining articles on the Warrant shall be acted upon at eight o'clock in the evening.

ARTICLE # 1.

To choose all necessary Town Officers for the year ensuing.

ARTICLE # 2.

To see if the Town is in favor of having of adopting (38) thirty-eight amendments to the Town of Eaton Zoning Ordinance of 1973.

ARTICLE # 3.

To raise such sums of money that may be necessary to defray town charges for the ensuing year and make appropriation of the same; including town officers salaries, town officers expenses, election and registration expenses, expenses of the Town Hall and other buildings, Social Security and Withholding taxes, fire department, insurance, civil defense, health department, vital statistics, town dump, town road maintenance (summer and winter, highway block grant, and general expenses), street lighting, town poor and old age assistance, recreation, cemeteries, interest, planning and zoning, legal expenses, State revenue sharing, capital reserve funds, general fund trusts, and unemployment compensation.

ARTICLE # 4.

To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes, if necessary.

ARTICLE # 5.

To see if the Town will authorize the Selectmen to administer and dispose of any real estate acquired by the Town through Tax Collector Deeds, reference RSA 80:42.

ARTICLE # 6.

To see if the Town will authorize the Selectmen to apply for, accept, and expend such Federal, State, or other governmental unit or private source of funding which becomes available during the year, in accordance with RSA 31:95-b.

ARTICLE # 7.

To see if the Town will vote to authorize the Eaton Conservation Commission to make application for a grant or grants from appropriate trust funds and to expend any funds received to enhance the public usefulness of Town Lands.

ARTICLE # 8.

To see if the Town will authorize the Eaton Conservation Commission to retain the unexpended portion of its 1988 receipts, said funds to be placed in a special conservation fund, in accordance with RSA 36-A:5.

ARTICLE # 9.

To see if the Town will vote to authorize the Board of Selectmen to require mandatory recycling of cardboard, newsprint, glass bottles and aluminum cans, and raise the appropriate sum of Ten Thousand, Two Hundred Dollars (\$10,200) to initiate a solid waste recycling program.

ARTICLE # 10.

To see if the Town will authorize the Selectmen to act as the franchising authority for the franchising and regulation of a cable television system for the Town pursuant to RSA Chapter 53-C.

ARTICLE # 11.

Shall The Town of Eaton adopt the provisions of RSA 466:30-a which makes it unlawful for an owner of any dog licensed or unlicensed to allow said dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such.

ARTICLE # 12.

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to asphalt approximately seven hundred (700) feet of the Bull Pasture Road.

ARTICLE # 13.

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for improvements to asphalt sections of Ridge Road, Glines Hill Road, Stewart Road, Bull Pasture and Horse Leg Hill Roads.

ARTICLE # 14.

To see if the Town will vote to create a Capital Reserve Fund for the purpose of repairs to the Eaton Cemetery.

ARTICLE # 15.

To see if the Town of Eaton will vote to raise the sum of One thousand Five Hundred Dollars (\$1,500.00) for deposit in the Capital Reserve fund for repairs to the Eaton Cemetery.

ARTICLE # 16.

To see if the Town will vote to raise and appropriate the sum of One Thousand, One Hundred Dollars (\$1,100.00) for the Town Hall for the purpose of installing emergency lights, a smoke alarm system audible and visible inside and outside the building.

ARTICLE # 17.

To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand, Five Hundred dollars (\$14,500.00) for deposit in the already established Capital Reserve Fund "Road Reconstruction".

ARTICLE # 18.

To see if the Town will vote to raise and appropriate the sum of \$325.00 for the support of the summer water safety program.

ARTICLE # 19.

To see if the Town will vote to raise and appropriate the sum of \$132.00 for support of the Tri-County Community Action Program.

Agreeable to a petition signed by Jane Ross and others.

ARTICLE # 20.

To see if the Town will vote to raise and appropriate the sum of \$300.00 for the support of the Children and Youth Project of the Mt. Washington Valley.

Agreeable to a petition signed by Faith Timberlake Alves and others.

ARTICLE # 21.

To see if the Town will vote to raise and appropriate the sum of \$1,400 to assist the Conway Recreation Department in providing recreation programs to the residents of Eaton.

Agreeable to a petition signed by Suzanne Russell and others.

ARTICLE # 22.

To see if the Town will vote to raise and appropriate the sum of \$410.00 to assist the Family Health Centre.

Agreeable to a petition signed by Elizabeth Bungereoth and others.

Clinics and medical centers with no facilities for overnight clients.
Mortuary and funeral establishments
Commercial schools
Printing facilities
Governmental uses (Post office, public safety and similar uses)
Parking lots
Manufacturing, fabrication, or packaging of parts or products from previously prepared materials.
All uses permitted in Village and Rural Residential Districts.

2. Special Exceptions

Amusement, Indoor
Amusement, Outdoor
Restaurants, Drive-In
Automobile service station
Automobile sales with outdoor storage
Automobile service and repair
Heavy equipment sales and repair
General building, special trades, and heavy construction contracting
Lumber yards and / or dry kilns
Private clubs, halls
Radio and TV Towers
Research and testing laboratories
Theater, movie, playhouse
Accessory uses pertaining to permitted uses.

3. Special Provisions

- a. The owner(s), or their notarized agent, of any proposed commercial or industrial use shall comply with all provisions of subdivision and Site Plan Review regulations. Any change in a permitted or grandfathered commercial or industrial use shall also require Site Plan Review by the Planning Board.
- b. In the interest of good design and traffic safety, and to prevent strip development, the Planning Board may require easements for common access / egress private roads or driveways intersecting with Route 153, and easement for access / egress to other lots in the district, whether or not they are proposed for development at the same time. Street frontage requirements for back lots in the District may be met by extension of internal access / egress easements."

Amendment No. 9

Are you in favor of the adoption of amendment Number 9 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 14, Article XII Definitions, **delete** Second sentence of the definition "Dwelling:"

(The definition would then read: "Dwelling: a building designed or used as the place of residence for one or more families.

Amendment No. 10

Are you in favor of the adoption of amendment Number 10 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 16, Article XII Definitions, **delete** all but the first two sentences of the definition "Slope"

(The definition would then read:

"Slope: The steepness of land surface. Slope is expressed in percent by dividing the change in elevation in a given distance by that given distance and multiplying by 100.")

Amendment No. 11

Are you in favor of the adoption of amendment Number 11 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 15, Article XII Definitions, **add** a new definition as follows:

"Multifamily Dwelling Unit: any structure containing more than two (2) dwelling units."

Amendment No. 12

Are you in favor of the adoption of amendment Number 12 to the existing Town of Eaton Zoning Ordinance as recommended by the Selectmen of the Town of Eaton as follows:

Changes to adopt and implement the NFPA Life Safety Code)

Page 12, Article VII A., at the end of the sentence add: "except that the Code Enforcement Officer is empowered to enforce the life Safety Code in consultation with the Board of Selectmen."

(The sentence would then read: "**Duty:** The board of Selectmen is hereby granted the power, authority and duty to administer and enforce this ordinance, **except that the Code Enforcement Officer is empowered to enforce the Life Safety Code in consultation with The Board of Selectmen.**"

Page 12, Article VII, add the following:

E. Life Safety Code: The Life Safety Code, NFPA Doc. No. 101, 1976 Edition, as amended, is made a part of this ordinance.

1. Code Enforcement Officer: The post of Code Enforcement Officer is hereby established. The Code Enforcement Officer shall be appointed by the Board of Selectmen and shall be employed for a term and remuneration that the Selectmen shall determine.

2. Duties: Upon adoption of this section, the Code Enforcement Officer shall have all statutory duties and powers of a fire inspector, including but not limited to: the power to conduct inspections, and to recommend issuance of occupancy permits for all new dwelling units and for substantial additions or alterations to existing dwelling units, and for all

workplaces and places of assembly.

3. **Appeals:** The Eaton Board of Adjustment is hereby designated as the Life Safety Code Board of Appeals and will act on all appeals arising from application (or non-application) of the Life Safety Code.

The Planning Board approves this proposal.

EATON'S TOWN MEETING

1988

The annual Town Meeting of the Town of Eaton, N.H. was called to order on March 8, 1988 at 8:00 PM by Moderator Ellsworth T. Russell.

Mr. Russell read the "Call to Meeting" and announced that the first three articles had been voted on by official ballot from 1:00-6:00 PM. There were 127 votes cast with a checklist of 206.

Article 1 - To choose all necessary Town Officers for the year ensuing. The following had been elected:

Selectman for three years - Eugene Kleinmeier was elected in a three-way write-in contest with 56 votes. Louise Gray had 37, and Joyce Blue 24. All other incumbents ran unopposed on the ballot.

Tax Collector for 1 year	Ruby A. B. Hurl
Auditor for 1 year	Douglas K. Blue
Highway Commissioner for 1 year	Elwyn R. Thurston
Supervisor of Checklist for 6 years	Anne K. Donahue
Trustee of Trust Funds	Edith Dashnau

Article 2 - To see if the Town is in favor of having the office of Town Clerk combined with the office of Tax Collector, thereby creating a new office of Town Clerk - Tax Collector to be held by one individual for a three-year term. In accordance with RSA 41:45-a. (Balloting for the individual to fill the new office will take place at Town Meeting in March 1989.) This article was approved 105 to 9.

Article 3 - To see if the Town is in favor of adopting twelve amendments to the Town of Eaton Zoning Ordinance of 1973 dealing with: setbacks, cluster development, open spaces in wetlands, protection of the Character of the Village Zone, permitted uses in the Rural Residential Zone, the Wetland Conservation District Map, wetlands violations, establishing a Commercial/Light Industrial Zone, definition of "slope", definition of "multifamily dwelling unit", and, adoption of the Life Safety Code (with a code enforcement officer).

Amendment No. 1 - Setbacks. Passed 105 to 19.

Amendment No. 2 - Cluster Development. Passed 81 to 37.

Amendment No. 3 - Open Spaces in Wetlands. Passed 86 to 25.

Amendment No. 4 - Protection of the Character of the Village Zone.
Passed 103 to 18.

Amendment No. 5 - Permitted uses in the Rural Residential Zone.
Passed 75 to 43.

Amendment No. 6 - Wetland Conservation District Map. Passed 100 to 20

Amendment No. 7 - Wetlands Violations. Passed 103 to 19.

Amendment No. 8 - Establishing a Commercial / Light Industrial Zone. Passed 78 to 39.

Amendment No. 9 - Definition of "dwelling." Passed 99 to 18.

Amendment No. 10 - Definition of "slope". Passed 94 to 17.

Amendment No. 11 -Definition of "Multifamily dwelling unit." Passed 95 to 20.

Amendment No. 12 -Adoption of the Life Safety Code (with a Code Enforcement officer). Passed 83 to 33.

For complete text of these amendments, see Addenda.

Article 4 - Alexander McKenzie moved to raise such sums of money that may be necessary to defray town charges for the ensuing year and make appropriation of the same; including town officers salaries, town officers expenses, election and registration expenses, expenses of the Town Hall and other buildings, Social Security and Withholding taxes, fire department, insurance, civil defense, health department, vital statistics, town dump, town road maintenance (summer and winter, highway block grant, and general expenses), street lighting, town poor and old age assistance, recreation, cemeteries, interest, planning and zoning, legal expenses, State revenue sharing, capital reserve funds, general funds trusts, and unemployment compensation, in the amount of \$179,913.00 as printed in the Budget on page 17. Barbara McKenzie seconded. Paul Hennigan offered an amendment to give the Conway Library \$250.00 instead of the \$200.00; Ginger Blymyer seconded. Amendment defeated 38 to 23. Original motion in the amount of \$179,913.00 then accepted by a vote of 71 to 0.

Article 5 - Alexander McKenzie moved that the Town will authorize the Selectmen to borrow money in anticipation of taxes, if necessary. Barbara McKenzie seconded. Passed 78 to 0.

Article 6 - Alexander McKenzie moved to authorize the Selectmen to administer and dispose of any real estate acquired by the Town through Tax Collector Deeds, reference RSA 80:42. Mary Gospodarek seconded. Passed 76 to 0.

Article 7 - Alexander McKenzie moved to vote to authorize the Selectmen to apply for, accept, and expend, such Federal, State, or other government unit or private source of funding which becomes available during the year, in accordance with RSA 31:95-b. Barbara McKenzie seconded. Passed 74 to 0.

Article 8 - Alexander McKenzie moved to see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money to be deposited into the Conservation Commission funds for the purpose of contributing to the local matching portion required for

for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under State and Federal programs, and authorize the Selectmen to apply for and accept the State or Federal matching funds for the purpose of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and State or Federal matching funds may be expended by a majority vote of the Conservation Commission. Barbara McKenzie seconded. Passed 73 to 0.

Article 9 - Grace Fowler moved to see if the Town will vote to authorize the Eaton Conservation Commission to make application for a grant or grants from appropriate trust funds and to expend any funds received to enhance the public usefulness of Town Lands. Donald McBrien seconded. Passed 73 to 0.

Article 10 - Alexander McKenzie moved to authorize the Eaton Conservation Commission to retain the unexpended portion of its 1988 receipts, said funds to be placed in a special conservation fund, in accordance with RSA 36-A:5. Barbara McKenzie seconded. Passed 78 to 0.

Article 11 - The Moderator announced that the following three articles—11, 12, and 13 would be by paper ballot as this had been requested by petitions with the necessary signatures.

James Worcester moved and Nubian Duncan seconded to establish and maintain an Eaton Fire Department, in accordance with RSA 154 and the following ordinance:

TOWN OF EATON — FIRE DEPARTMENT ORDINANCE

1. The Eaton Fire Department is hereby established as a department of town government and is authorized to fight fires in Eaton or to go to the aid of another town, village, or fire district within or without the state, for the purpose of extinguishing fires.

2. The Fire Chief shall be appointed by the Board of Selectmen in accordance with RSA 154:5 for an indefinite period and the Fire Chief's tenure of office shall depend on his/her good conduct and efficiency. The Fire Chief shall be technically qualified by training or experience and shall have the ability to command fire fighters and hold their respect and confidence. The Fire Chief may be removed only for just cause and after hearing with reasonable notice in writing of the charges against him/her.

3. Deputy Fire Chief(s) shall be appointed annually by the Board of Selectmen.

4. The Chief and Deputy Fire Chief(s) shall constitute a board, elect a clerk and adopt a badge of office.

5. Firefighters shall be appointed annually by the Board of Selectmen on recommendation of the Fire Chief. A copy of each appointment shall be given to the individual concerned and another copy filed with the Town Clerk.

6. The Fire Department shall be organized by the Fire Chief. He/she will appoint or elect officers, cause the department to care for and preserve Town Property entrusted to it, and conduct training of firefighters. The Fire Department shall night and day use its best endeavors to extinguish any fire that may happen in Eaton or the vicinity.

7. (a.) Except as provided in RSA 224, the Fire Chief shall have authority and control over all firefighters and officers and all fire engines and apparatus and all persons whose duty it is to aid in extinguishing fires in Eaton.

(b.) The Fire Chief shall have the authority to enforce local ordinances, the NFPA Life Safety Code (if adopted by the Town), and State laws pertaining to fire and safety.

(c.) The Fire Chief or his designee shall have the authority to recommend issuance of occupancy permits to the Selectmen for all new structures, defined as places where people live, work or assemble, and additions to structures, as defined above. Permits will be issued after two inspections during the course of construction, said inspections to be based on local ordinances, the State Fire Code, and other pertinent State laws. A written report shall be provided to the owner or occupant of inspected properties and a copy shall be retained by the fire chief for public inspection.

(d.) The Fire Chief may establish regulations for the prevention and control of fires, and for removal of combustibles from any building. Such regulations will be signed by the Fire Chief and recorded by the Town Clerk and posted in two public places in Eaton thirty days before they shall take effect. Each breach of such regulations shall constitute a violation.

(e.) The Fire Chief may establish regulations respecting hazardous materials and will be governed by the New Hampshire Hazardous Materials Incident Emergency Response Plan.

(f.) If any building is deemed by the Fire Chief to be dangerous to persons or the property of others, by reason of decay, want of repair, or otherwise, he/she may give written notice to the owner, the same to be served personally or by certified mail, to repair or alter the same; such notice shall contain a complete statement of the repairs or alterations to be made. If the owner does not reside in Eaton like notice may be served on the occupant, if any. If repairs or alterations are not made within five days after notice, unless the Fire Chief has granted an extension for reasonable causes, the owner or occupant

so notified shall be guilty of a violation for each day's neglect and shall be liable for the damage suffered by a person or the owner of any buildings or property consumed by fire communicated from such dangerous building.

8. The Fire Chief is responsible for keeping in order all apparatus provided by the Town for extinguishment of fires and all sources of water prepared for the Fire Department, within available funds. The Fire Chief shall annually report to the Town the condition of all apparatus belonging to the Town under his/her care, and the amount expended for repairs thereon.

9. The Fire Chief, or in his/her absence the senior officer in charge present, shall direction of all engines and other apparatus, and the government and direction of all persons and proceedings relating to any fire or emergency.

10. Bills for the operation of the Fire Department shall be approved or disapproved by the Fire Chief and if approved, shall be presented to the Board of Selectmen for payment, within the limits of funds appropriated.

11. Any expenses incurred by the Eaton Fire Department outside the limits of its jurisdiction may be charged to the town, village, or fire district whose officials requested such aid.

12. The Eaton Fire Department, upon certification of its competency by the State Fire Marshal fully to fight structure fires may, after consultation with and concurrence of the Board of Selectmen, join local fire mutual aid systems in accordance with RSA 154:30-a to :30-f.

13. The provisions of RSA 154:31 to :34, concerning relief to disabled and deceased firemen shall apply in the Town of Eaton, as shall provisions of the Town's liability and workers compensation insurance and other applicable State laws.

14. Except those covered by paragraph 13, above, volunteers, Chiefs, and officers of the Eaton Fire Department shall serve without monetary compensation unless they must serve unusual lengths of time at an incident, e.g., losing an entire day's work spent cleaning up a hazardous waste spill, in which case they would be compensated at a rate set by the Board of Selectmen in consultation with the Fire Chief, or in the case of fire inspectors who would be paid at a rate set by the Board of Selectmen.

15. Any volunteers joining the Eaton Fire Department after enactment of this ordinance shall be required to pass a physical examination conducted by an approved physician, clinic or hospital to the satisfaction of requirements adopted by the Fire Department and the Board of Selectmen.

16. Each member of the Eaton Fire Department must strive to attain certification for training as a firefighter within the time and conditions

prescribed by the New Hampshire Fire Standards and Training Commission under RSA 154: C:1 and :C:5. Failure to achieve progress toward certification may subject members to lack of reappointment by the Board of Selectmen:

James Worcester moved to amend this article by adding the word "volunteer" before each "Fire Department" throughout the article. Alexander McKenzie seconded. Passed 54 - 5.

Several amendments were offered and rejected. Bernard Hurley and Richard Young argued that if this article were passed it would cost each man an exorbitant amount for physicals, etc., and cost the Town a large amount for worker's comp and insurance. Under the new "fire fighters' cancer law", with payments up to 20 years after his retirement, costs could not be determined or even estimated at this time. James Worcester and James Coogan argued that based on the Conway Fire Department, it would not run into all this great expense. It was pointed out that this was a five year plan. Finally it was decided to vote on the article as written with "Volunteer" inserted before each "Fire Department". This was done by written ballot. Defeated: 62 No votes; 32 Yes votes.

Article 12 - Francis Gospodarek moved to table Article 12 to raise and appropriate the sum of \$14,093 for fire protection, to be used by the Eaton Fire Department as follows:

- \$5,000: Used pumper truck first year of five equal payments
- 3,000: Tools, supplies, equipment, training
- 976: Interest on pumper truck loan at 7.25%
- 1,000: Rehabilitation of donated tank truck, if one can be found
- 1,117: Liability & Workers Compensation Insurance
- 1,000: Fire Prevention
- 500: Five Radio Pagers
- 1,500: Maintenance of present tanker truck and possible used pumper

Alexander McKenzie seconded. James Worcester moved, Mary Phillips seconded to see if Town will vote to appropriate \$3,000 to be used by Eaton Volunteer Fire Reserves for tools, supplies, equipment, training and insurance. It was pointed out that Town money could not be used for private organizations. Motion withdrawn. Suzanne Russell moved, Edward Ellis seconded to call the vote. By written ballot the article was defeated: 60 No votes; 16 yes votes.

Article 13 - Mark Provost moved to choose members of the Town Planning Board and Zoning Board of Adjustment by election rather than by appointment as is presently done. Under Authority of RSA 673:211(b) and RSA 673:3. Leona Hurley seconded. The question was asked and answered that the term would be for three years. It was pointed out that under the present system most people in town do not know when a vacancy occurs. By written ballot, the article was defeated: 47 No votes; 31 yes votes.

It was announced that the remaining articles would be by voice vote as moved by Edward Ellis and seconded by Moderator Russell. No one opposed.

Article 14 - To see if the Town will vote to raise and appropriate the sum of \$2,770 to support the budget of the Cemetery Trustees as follows:

EXPENSES		REVENUES	
Grading/Seeding (Snowville)	\$2500	Survey Balance '87	\$ 400
Survey Completion (Snowville)	600	Hatch Trust Fund	700
Fence & Stone Repair (Hatch)	<u>1020</u>	Trust Funds	<u>250</u>
Total Expenses	\$4120		\$1350

Amount to be raised by taxes: \$2770.00

Alexander McKenzie moved, Nubian Duncan seconded. Passed.

Article 15 - Paul Hennigan moved, James Worcester seconded to see if the Town will vote to adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure. These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes. Passed.

Article 16 - Barbara McKenzie moved, Mary Gospodarek seconded to see if the Town will vote to raise and appropriate the sum of \$5,000.00 for deposit in the already established Capital Reserve Fund "Bridge Reconstruction." Passed.

Article 17 - Alexander McKenzie moved, Barbara McKenzie seconded to see if the Town will vote to raise and appropriate the sum of \$9,500 for deposit in the already established Capital Reserve Fund "Road Reconstruction." Passed.

Article 18 - Alexander McKenzie moved, Paul Hennigan seconded to see if the Town will vote to create a Capital Reserve Fund for the purpose of replacing the town road grader. Passed.

Article 19 - Alexander McKenzie moved, Barbara McKenzie seconded to see if the Town will vote to raise and appropriate the sum of \$5,000 for deposit in the Capital Reserve Fund for replacing the town road grader. Passed.

Article - 20 Barbara McKenzie moved, Alexander McKenzie seconded to see if the Town will vote to raise and appropriate the sum of \$2,500 for the purpose of installing a dry hydrant in Snowville on land of Andrew Gerling. Mr. Gerling has given the Town an easement for installation and maintenance of the dry hydrant. There was some discussion on this as to whether there is always water available here all year. Francis Gospodarek announced that the easement had not as yet come through though Mr. Gerling keeps saying he will do it. Article defeated.

Article 21 - Alexander McKenzie moved, Mary Phillips seconded to see if the Town will vote to raise and appropriate the sum of \$1,100.00 for the Town Hall for the purpose of installing emergency lights, a smoke alarm system audible and visible inside and outside the building, and to bring the furnace room up to fire retardation standards. Passed.

Article 22 - Suzanne Russell moved, Judy Goss seconded to see if the Town will vote to raise and appropriate the sum of \$325.00 for the support of the summer water safety program. Passed.

Article 23 - Grace Fowler moved, Mary Gospodarek seconded to see if the Town will vote to raise and appropriate the sum of \$125.00 for support of the Tri-County Community Action Program. Dr. Biddle said that fuel assistance had been given to eight families or individuals. Article passed.

Article 24 - Joan Simonds moved, Edward Ellis seconded to see if the Town will vote to raise and appropriate the sum of \$415.00 for the support of the Children and Youth Project of Mount Washington Valley. Article passed.

Article 25 - Harry Fowler moved, Charlene Thurston seconded to see if the Town will vote to raise and appropriate the sum of \$1,250.00 to assist the Conway Recreation Department in providing recreating programs to the residents of Eaton. Article passed.

Article 26 - Judy Goss moved, Joan Simonds seconded to see if the Town will vote to raise and appropriate the sum of \$385.00 to assist the Family Health Centre. Article passed with 2 No votes.

Article 27 - Suzanne Russell moved, Jonathan Goodwin seconded to see if the Town will vote to raise and appropriate the sum of \$153.45 for the support of Children Unlimited, Inc., said sum being equal to \$.55 per person in the Town of Eaton. Article passed.

Article 28 - Alexander McKenzie moved, Barbara McKenzie seconded to see if the Town will vote to raise and appropriate the sum of \$523.80 for the Visiting Nurse Services of Northern Carroll County, Inc., said sum being equal to \$1.80 per person in the Town of Eaton (291 - based on 1986 census from the Office of State Planning). Article passed.

Article 29 - James Worcester moved, Larry Ross seconded to see if the Town will vote to raise and appropriate the sum of \$340.00 to provide a Valley Social Security Worker to assist the eight towns now served by Gibson Center for Senior Services. Article passed with 1 No.

Article 30 - Paul Hennigan moved, Nancy Worcester seconded to see if the Town will vote to raise and appropriate the sum of \$600.00 for the support of the Gibson Center for Senior Services and the Gibson Center's Meals and Wheels Program. Passed unanimously.

Article 31 - Joan Simonds moved, Suzanne Russell seconded to see if the Town will vote to raise and appropriate the sum of \$315.00 to assist the Carroll County Mental Health Service. Article passed.

Article 32 - To act on any other business that may legally come before this meeting. Edward Ellis would like to see Town Meeting held on night following voting starting at 6:00 PM - was told to get it onto Warrant next year. James Worcester moved, Frank Gospodarek seconded to adjourn the meeting. 11:35 PM.

Ruby A. B. Hurl
Town Clerk

ADDENDA

Amendment No. 1

Are you in favor of the adoption of amendment number 1 to the existing Town of Eaton Zoning Ordinance as recommended by the Selectmen of the Town of Eaton as follows;

On Page 6 Article IV, delete paragraph C in its entirety, and substitute in its place the following:

“Each dwelling or other building unit shall be set back at least sixty (60) feet from the center of the highway on which it fronts, and at least thirty (30) feet from and property line.

The Planning Board approves this proposal.

Amendment No. 2

Are you in favor of the adoption of amendment Number 2 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows;

Page 7, Article IV, **add** the following:

J. Cluster Development

Cluster development is permitted and encouraged for the preservation of open space and natural features, to promote more efficient use of land, and to promote flexibility in subdivision design. Cluster developments may not be required to conform to minimum frontage, lot size, and internal setback requirements provided:

1. The total number of dwelling units or lots shall not exceed the number of dwelling units or lots permitted under normal minimum size requirements: and
2. The remainder of the tract shall be designated and maintained as permanent open space, by legal instrument(s) satisfactory to the Town Attorney.

(If this zoning amendment is approved, cluster subdivision regulations will be developed by the Planning Board, and hearings will be held before adoption.)

Amendment No. 3

Are you in favor of adoption of amendment Number 3 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 10, Article V, C. Wetland Conservation District, Section 2 Permitted Uses, **delete** the following:

- h. Open spaces as permitted or required by the Subdivision Regulations and the Zoning Ordinance except that not more than 25% of such area may be located in the Wetland Conservation District.

Amendment No. 4

Are you in favor of the adoption of amendment Number 4 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 7, Article V, A. Village District Zone, after the first sentence, **add** the following:

Great care shall be taken to ensure that any proposed uses do nothing to disturb the general character and scenic qualities. The height and location of any new structure shall ensure the protection of all scenic views and historic structures and areas.

Amendment No. 5

Are you in favor of the adoption of amendment Number 5 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 8 Article V, B. Rural Residential District, Section 1.

Permitted Uses, **add** the following:

k. Multi-family dwelling units permitted in accordance with Site Plan Review Regulations of the Town of Eaton.

Amendment No. 6

Are you in favor of the adoption of amendment Number 6 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 9, Article V, C. Wetland Conservation District, Section 1 District Boundaries, Subsection a., **add** the following words to the end of the second sentence:

“which is considered as a guide only.”

(The second sentence would then read: “The Eaton Wetland Conservation District as herein defined is shown on a map or maps designated as the Town of Eaton Wetland Conservation District Map of 1979, **which is considered as a guide only.**”)

Amendment No. 7

Are you in favor of the adoption of amendment Number 7 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 11, Article V, C. Wetland Conservation District, Section 4 Special Provisions, **add** the following:

e. Any wetlands altered in violation of this ordinance shall be restored at the expense of the violator(s) as provided by RSA 483-A:5.

Amendment No. 8

Are you in favor of the adoption of amendment Number 8 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

(Changes to establish a Commercial/Light Industrial Zone in keeping with the Master Plan as revised in 1986)

Page 1, Article II A., **delete** in its entirety and **substitute** in its place the following:

A. **Districts:** For the purpose of this ordinance the Town of Eaton is divided into the following four (4) zoning districts, hereafter called "district":

Village (V) District

Rural Residential (RR) District

Wetland Conservation (WC) District

Commercial and Light Industrial (CI) District

Page 1, Article II, B. Zoning Map, **add** in second sentence after the words "Town of Eaton Zoning Map of 1973", the following:

"as amended in 1988"

Inside front cover, **amend** the map to show the CI district as approved in the Master Plan.

Page 8, Article V, B. Rural Residential District, Section 2. Special Exceptions, **delete** the following:

e. Research Laboratories, small industries employing not over twenty (20) persons or similar activities.

End of Page 11, Article V **add** the following:

"D. COMMERCIAL AND LIGHT INDUSTRIAL DISTRICT, ZONE CI

The Commercial and Light Industrial District is established as a zone in which the principal uses are those commercial uses to which the public requires direct and frequent access, as well as wholesale and light industrial uses that will not be noxious, offensive, or detrimental to the environment, the Town, or the abutters of the zone. This District is intended to encourage the concentration of commercial and light industrial development to the mutual advantage of consumers and employers, to enhance economic and employment opportunities within the Town, and to protect the rural and historic character of the other zoning districts.

1. Permitted Uses

Retail businesses

Restaurants

Offices

Banks

Personal and professional services

General service and small item repair shops

Wholesale and warehousing facilities

Clinics and medical centers with no facilities for overnight clients.
Mortuary and funeral establishments
Commercial schools
Printing facilities
Governmental uses (Post office, public safety and similar uses)
Parking lots
Manufacturing, fabrication, or packaging of parts or products from previously prepared materials.
All uses permitted in Village and Rural Residential Districts.

2. Special Exceptions

Amusement, Indoor
Amusement, Outdoor
Restaurants, Drive-In
Automobile service station
Automobile sales with outdoor storage
Automobile service and repair
Heavy equipment sales and repair
General building, special trades, and heavy construction contracting
Lumber yards and / or dry kilns
Private clubs, halls
Radio and TV Towers
Research and testing laboratories
Theater, movie, playhouse
Accessory uses pertaining to permitted uses.

3. Special Provisions

- a. The owner(s), or their notarized agent, of any proposed commercial or industrial use shall comply with all provisions of subdivision and Site Plan Review regulations. Any change in a permitted or grandfathered commercial or industrial use shall also require Site Plan Review by the Planning Board.
- b. In the interest of good design and traffic safety, and to prevent strip development, the Planning Board may require easements for common access / egress private roads or driveways intersecting with Route 153, and easement for access / egress to other lots in the district, whether or not they are proposed for development at the same time. Street frontage requirements for back lots in the District may be met by extension of internal access / egress easements."

Amendment No. 9

Are you in favor of the adoption of amendment Number 9 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 14, Article XII Definitions, ~~delete~~ Second sentence of the definition "Dwelling:"

(The definition would then read: "Dwelling: a building designed or used as the place of residence for one or more families.

Amendment No. 10

Are you in favor of the adoption of amendment Number 10 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 16, Article XII Definitions, **delete** all but the first two sentences of the definition "Slope"

(The definition would then read:

"Slope: The steepness of land surface. Slope is expressed in percent by dividing the change in elevation in a given distance by that given distance and multiplying by 100.")

Amendment No. 11

Are you in favor of the adoption of amendment Number 11 to the existing Town of Eaton Zoning Ordinance, as recommended by the Planning Board, as follows:

Page 15, Article XII Definitions, **add** a new definition as follows:

"Multifamily Dwelling Unit: any structure containing more than two (2) dwelling units."

Amendment No. 12

Are you in favor of the adoption of amendment Number 12 to the existing Town of Eaton Zoning Ordinance as recommended by the Selectmen of the Town of Eaton as follows:

Changes to adopt and implement the NFPA Life Safety Code)

Page 12, Article VII A., at the end of the sentence add: "except that the Code Enforcement Officer is empowered to enforce the life Safety Code in consultation with the Board of Selectmen."

(The sentence would then read: "**Duty:** The board of Selectmen is hereby granted the power, authority and duty to administer and enforce this ordinance, **except that the Code Enforcement Officer is empowered to enforce the Life Safety Code in consultation with The Board of Selectmen.**"

Page 12, Article VII, add the following:

E. Life Safety Code: The Life Safety Code, NFPA Doc. No. 101, 1976 Edition, as amended, is made a part of this ordinance.

1. Code Enforcement Officer: The post of Code Enforcement Officer is hereby established. The Code Enforcement Officer shall be appointed by the Board of Selectmen and shall be employed for a term and remuneration that the Selectmen shall determine.

2. Duties: Upon adoption of this section, the Code Enforcement Officer shall have all statutory duties and powers of a fire inspector, including but not limited to: the power to conduct inspections, and to recommend issuance of occupancy permits for all new dwelling units and for substantial additions or alterations to existing dwelling units, and for all

workplaces and places of assembly.

3. **Appeals:** The Eaton Board of Adjustment is hereby designated as the Life Safety Code Board of Appeals and will act on all appeals arising from application (or non-application) of the Life Safety Code.

The Planning Board approves this proposal.

**COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES
FISCAL YEAR ENDING DECEMBER 31, 1988**

TITLE OF APPROPRIATION	APPROP.	RECEIPTS	TOT. AMT. AVAILABLE	EXPEND'S	UNEXPENDED BALANCE	OVERDRAFT

REPORT OF

THE TOWN OF EATON PLANNING BOARD

As development continues to pervade rural communities such as Eaton, the concerns about preparing for its effects take on an increased importance. Consequently your planning board devotes an increasingly greater portion of its time and effort to plan for growth, the results of which are recommendations for additions and changes to present ordinances and regulations.

During 1988 and in January 1989 your board approved seven subdivisions and three boundary line adjustments, many of which involved preliminary discussions and, often, time-lengthy deliberations with occasional needs for professional legal input. During the year many topics and concerns have been addressed with decisions both made and pending relating to zoning, site plan and subdivisions amendments, dead end streets, road requirements, HISS applications, Life Safety code issues, legal considerations defending board positions, and cluster development provisions.

Regular meetings are scheduled for the third Wednesday of each month at 7:30 p.m. in the Evans Memorial Building (Town Hall): March 15; April 19; May 17; June 21; July 19; August 16; September 20; October 18; November 15; December 20; January 17, 1990; and February 21, 1990.

Respectfully submitted,
Stephen Biddle
Peter K. Blue
Robert D. J. Donahue

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire warden officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

EATON CONSERVATION COMMISSION

1988

1988 calendar year proved to be a busy year for the Conservation Commission, a year with such business as dredge and fill permits, field and view clearing, trail maintenance, a maple syrup contract and continued success with our outdoor program involving Eaton children.

The Commission began its schedule of tests for water quality at the Snow Spring on May 18th with test results of 52 cts. / 100 ml. When compared to last year's three test results the Commission decided to return to a yearly schedule because of the lack of variation found in the colliform bacteria count. A reminder, the New Hampshire Water Supply and Pollution Control Commission recommends 1 ct. / 100 ml. or less for drinking water. Results will continue to be posted.

The Commission scheduled a number of work-days this past year with the following projects completed:

Maintaining the open fields on the west side of the Foss Mountain Road across from Chet Russell's house.

Expanding the view from the top of Manson Hill, a completion of a 1987 project.

Lime, fertilizing, and seeding the Foss Mountain trail - this has turned into a yearly event, because of the increased use of the trail. The Commission wants very much to see the trail grassed in to prevent anymore loss of topsoil.

The gate at Brook's Pasture was repaired, having fallen down as a result of old age.

The Commission would like to thank the six boy scouts from Troop 150 in North Conway who as a means of earning a scouting rank, volunteered their services on a rainy Saturday cutting and clearing brush in an area earmarked by the Commission. Their community service was much appreciated.

The Commission has signed a 3 year (starting March 1988) maple syrup tapping contract with D. David Douglass of South Conway on Town land near the Maine border. The board saw it as another viable use and source of revenue from our Town owned forest.

The Commission also contracted with Robert VanRaden of Madison, NH, a professional brushcutter, to cut the brush near the summit of Foss Mountain. It was the Commission's intent to maintain the open character of the summit much as it has been in previous years.

Foss Mountain was burnt this spring, to control the weeds competing with the blueberry plants, as a result commercial haverster Lloyd Merifield picked the berries in Brooks pasture. The yield was 14,000 pounds of blueberries with a payment received of \$1,008.59. These funds are deposited into the Eaton Conservation Fund.

In our continued attempt to develop an appreciation for our Town forest by our Eaton children the Commission continued to hold a seasonal

Eaton Conservation Day. The short hiking trail leaving the winter parking lot on the Foss Mountain Road is now complete and serving as a good location for such activities as animal tracking, and studying animal homes and habitat. One other event this year was to visit a local maple syrup operation as well.

We received a number of dredge and fill permits applications this summer ranging from drainage projects, culvert installations, ponds, and temporary logging bridges. The Commission would like to bring to the townspeople's attention that whenever water is involved directly or indirectly, seasonally or otherwise a dredge and fill permit is required by law. The process involves a review by the Conservation Commission, as well as the Selectmen and Planning Board and the New Hampshire Wetlands Board in Concord. We recommend that the parties involved apply as early as possible because it can take a few months for Concord to review the application before the actual work can begin. Failure to comply can result in fines up to \$2,000 administered by the Wetlands Board.

As provided under its by-laws, regular meetings of the Commission are held at 7:30 PM on the second Monday of each month from April through November at the Eaton Town Hall. Special meetings are given advance public notice. All meetings are by law open to the public. The Commissioners welcome active participating, especially by residents and taxpayers.

The names of the members responsible for the actions reported above are listed. Their terms end in August of the year indicated, except as noted.

NORTH COUNTRY COUNCIL

ANNUAL REPORT

North Country Council observed its sixteenth year of successful operation in 1988. The Council, chartered under NH RSA 36:45, provides non-profit local and regional planning assistance to member municipalities. The Board of Directors determined that last year's work program would focus on community planning, economic development, solid waste, transportation and housing. The Council maintains four standing committees which monitor local issues and determine Council policy. Overall, the Council's major objective is to work with North Country towns in solving local and regional problems.

In **Eaton**, the Council reviewed proposed zoning changes and provided specific recommendations for open space/cluster provisions, dead-end roads and updates of definitions. In addition, the Council assisted with the regional efforts of solid waste disposal and prepared a proposal for the Carroll County Solid Waste Study Committee which will result in a 20-year plan for the entire county.

Community planning assistance continues to dominate our staff resources. New state mandates and rapid residential and commercial growth throughout the region placed an increasing burden on local planning and zoning boards in 1988. Regional workshops, technical bulletins and newsletters, ordinance review and update, as well as review of specific subdivision and site plan applications are a sampling of the myriad services performed this year for our membership. The Council also co-sponsored the popular Municipal Law Lecture Series which reviewed new case call and other specific area of legal interest to local officials.

In addition, grant writing and grant administration continues as important components of the Council's work programs. Currently, NCC staff are working in twelve towns administering fifteen Community Development Block Grant programs. These projects include feasibility studies for local infrastructure needs, water and sewer construction projects and targeted housing rehabilitation programs for income eligible residents.

In summary, it is important to understand that the North Country Council is organized and administered for the benefit of its constituents, local town governments. Our future success is, in large part, contingent upon your participation in Council activities. We rely on and appreciate involvement of town officials and residents and look forward to assisting your town this coming year.

SELECTMENS' REPORT

Once again, this year, we report with sadness the passing of another person who served the Town well. Grace T. (Pinky) Fowler, the chairman of our Supervisors of the Checklist, the driving force behind restoration and active use of the Little White Church, long-time member of the Ladies Circle, reader for the blind, singer, actress, artist, craftsman, and activist in regional cultural affairs, passed away. She helped procure the table at which we sit. She is well remembered for these things and many kindnesses.

The beautiful American and New Hampshire flags in town hall are a gift in Pinky's memory from Doris and Jerry Underwood.

Marnie Cobbs has finished restoring the old town records, with money from a grant from the Henney Historical Trust. The originals of the oldest ones will be kept in safe storage in the Henney Room of the Conway Library. Copies have been made on acid-free paper. Marnie is binding the copies and they will be available both in the library and in town hall for public use. Microfilm copies will also be made for holding in our safe deposit box at Indian Head Bank. The goal of the Eaton Records Committee of the 1960's is being realized.

Mary E. (Meg) Phillips, who served so ably as the town secretary, serving us, the board of adjustment, and the planning board, has gone to work at Memorial Hospital's operating room, in her chosen field. We are looking for a replacement.

The furnace room of town hall has been brought up to the Fire Marshal's specifications. We still need to install an alarm system.

Our Code Enforcement officer, George Booth, has been on the job since last town meeting inspecting all new houses and additions, and commercial establishments with the help of the state fire marshal.

The Seventh Day Adventist Church which for so many years made its home in town hall has build a house of worship of its own on Route 302 in Center Conway. In gratitude to the people of Eaton, the church donated a speaker system to the town. It is installed in town hall, but is portable.

The first Eaton triathalon was run last spring. It was successful in raising money for Memorial Hospital. This year we hope it can be run as successfully and the money donated to building a handicapped access to town hall. A triathalon committee of Eaton citizens has been appointed.

The first annual 'Eaton Day' was a wonderful time. We thank all those who made it possible. Edith Dashnau is chairing next year's 'Eaton Day' committee, scheduled again for September.

WARRANT FOR ANNUAL MEETING OF THE EATON SCHOOL DISTRICT

To the inhabitants of the School District in the Town of Eaton, County of Carroll, and State of New Hampshire, qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on Tuesday, the 14th day of March, 1989, to vote for the following District Officers. Polls will be open for this purpose at 11:00 a.m., and will not close before 6:00 p.m.

- ARTICLE 1.** To elect a Moderator for the ensuing year.
- ARTICLE 2.** To elect a Clerk for the ensuing year.
- ARTICLE 3.** To elect a member of the School Board for the ensuing three years.
- ARTICLE 4.** To elect a Treasurer for the ensuing year.
- ARTICLE 5.** To elect an Auditor for the ensuing year.

YOU ARE ALSO NOTIFIED TO MEET AT THE SAME PLACE AT 4:00 O'CLOCK IN THE AFTERNOON ON THE SAME DAY TO ACT UPON THE FOLLOWING ARTICLES.

ARTICLE 6. To see if the District will vote to authorize the Eaton School Board to apply for, accept and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b.

ARTICLE 7. To see if the School District will vote to raise and appropriate the sum of \$10,000.00 to be placed in the Reserve Fund (Special Education), to be held in the custody of the Trustees of Trust Funds for the Town of Eaton.

ARTICLE 8. To see what sum of money the School District will vote to raise and appropriate for the support of schools, for the payment of salaries for school officials and agents, and for the payment of the statutory obligations of the District.

ARTICLE 9. To transact any other business that may legally come before this meeting.

Given under our hands, this 1st day of February, 1989.

Joyce Blue
JoAnn L. Kelly
Jonathan Goodwin

School Board of Eaton, N.H.

EATON SCHOOL DISTRICT MEETING

The annual meeting of the Eaton School District was called to order at 4:00 p.m. on March 8, 1988, by School Moderator Marc Bungeroth.

ARTICLES 1-5 were voted by ballot.

1. Moderator, Marc R. K. Bungeroth
2. School Board Member for 3 years, JoAnn Kelly
3. Auditor, Jane Gray
4. Treasurer, Patricia Coogan
5. Clerk, Elizabeth Bungeroth

ARTICLE 6. JoAnn Kelly moved to authorize the Eaton School Board to apply for, accept, and expend in the name of the School District, such gifts, advances, grants in aid, or other funds for educational purposes as may be available or forthcoming from any source during the fiscal year, in accord with and upon such terms as are found in RSA 198:20-b. Joyce Blue seconded the motion. Motion carried unanimously.

ARTICLE 7. Barbara McKenzie moved to raise and appropriate the sum of \$10,000.00 to be placed in the Capital Reserve Fund (School Bus), to be held in the custody of the Trustees of the Trust Funds for the Town of Eaton. Paul Hennigan seconded the motion. Motion carried unanimously.

ARTICLE 8. JoAnn Kelly moved to raise and appropriate the sum of \$5,000.00 to be placed in the Capital Reserve Fund (Special Education), to be held in the custody of the Trustees of Trust Funds for the Town of Eaton. Joyce Blue seconded the motion. Motion carried unanimously.

ARTICLE 9. Alexander McKenzie moved to raise and appropriate \$309,765.00 as per page 94 of the 1988-1989 School District budget. JoAnn Kelly amended the motion to raise and appropriate \$294,765.00 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District. This amendment was introduced due to the previous 2 warrants. Alexander McKenzie withdrew his motion and seconded the amendment. The motion carried 15-0.

ARTICLE 10. JoAnn Kelly read a letter from the Eaton School Board explaining their opposition to the Conway School Board's stand to withdraw from SAU #9. She stated the Eaton School Board is opposed to the split for the following reasons:

- A. A new Assistant Superintendent position has been approved to possibly work with Conway alone.
- B. A split will be costly for **all towns**.
- C. The amount of work that has to be done by all towns will not be more efficient, in fact it will be more difficult with more than one Superintendent.

- D. Conway did not consider the possibility of cooperative agreements, therefore reducing the number of school boards, which is the actual problem.
- E. There have been 2 studies completed (one by N.H. School Boards Association, November 1987, and the other by members of the SAU #9 Board) which do not recommend a split.

Frank Gospodarek questioned Dr. Jutras' position on the split. Dr. Jutras stated he is officially neutral but will speak in behalf of the benefits for each town he represents. He acknowledged that the Conway School District has hired a Public Relations person to explain and defend the Conway School Board's position. Mr. Gospodarek pointed out the irony of this for Eaton since our town helps to pay for that position.

Barbara McKenzie questioned why there was no money allotted for health services this year. JoAnn Kelly explained that the SAU #9 no longer pays for the services, but the towns do. These services are paid through our tuition to Conway.

Paul Hennigan thanked our School Board and the Administration for their efforts in an often "thankless" job.

Betsy Bungereoth questioned if there were a better time schedule the School Annual meeting. The School Board felt that since there was a better attendance at this meeting than at regular evening School Board meetings they recommend the meeting remain at this time.

There being no further business, Paul Hennigan moved to adjourn the meeting. The motion carried and the meeting was adjourned at 4:30 p.m.

There being no further business, Paul Hennigan moved to adjourn the meeting. The motion carried and the meeting was adjourned at 4:30 p.m.

Respectfully submitted,
Elizabeth C. Bungereoth
School District Clerk

CONWAY ELEMENTARY SCHOOL PRINCIPAL'S REPORT

by Lois Gould

1988-89 is The Year Of The Young Reader, a theme to help focus on the importance that reading has in our society. As we begin the education of these first graders who will graduate from high school in the year 2000, we are more aware of the need to develop children who can read, who love to read, and who will use the ability to read as their key to success in the future.

Reading is the theme that underlies nearly all the activities in any elementary school. Research in the field of reading and how we learn has grown dramatically since 1980, providing more information now than ever before. Teachers at Conway Elementary School have used the research of individual children. Here, you will see teachers using the reading-writing connection, literature-based reading, structured basals, language experience, and holistic approaches. We have teachers who are team-teaching, and others who team-plan. We have children learning to read from their writing, and writing from their reading. Many children are enjoying learning from each other through peer coaching, and from having upper grade children read with primary grade children.

Part of our effort to help every child become a reader and thinker has been to identify the unique learning styles of each child as early as possible. We have strengthened our early identification of children with learning difficulties and provided special services to meet their needs. Conway Elementary School provides a continuum of special education services from classroom adjustments and close monitoring to programs providing intense learning opportunities in small classrooms.

To continue to meet the needs of a changing world and to take advantage of new research on learning and teaching, teachers are continually participating in professional growth activities. Last summer we had teachers attending writing, whole language, and special education courses, as well as attending seminars on computers. One principal attended the NH Principal's Academy and the Governor's seminars. During the year teachers have attended workshops, visited other schools, and participated in a number of inservice sessions relating to special education.

Education takes place in many different settings at Conway Elementary School. Our Winter Activities Program provides downhill and cross-country skiing, skating, snowshoeing, and sledding experiences once a week during the winter months. Tin Mountain Conservation Center comes into our third grade classroom each week to enhance our awareness of and appreciation for the natural environment. Students have participated in field trips to the Portland Symphony, the Kinderkonzerts, museums, and elsewhere. These are all natural extensions of the classroom that help children develop stronger learning skills through

healthy experiences.

We continue to expand the child's world through a variety of literate and cultural experiences. Our PTO has provided free books for every child in school through the RIF (Reading is Fundamental) program three times during the year. The PTO also sponsors a school volunteer program which provides us with a number of "extra hands" to get the job done. Performing arts are brought into our school for a close and personal experience through the cooperation of Conway's own Arts Jubilee. Our reputation continues to spread throughout the New England states as the school with the "Red Hots Jump Rope Team." This group of 70 or so students demonstrates skills for the American Heart Association.

Students at Conway Elementary School have the opportunity to experience the democratic process through participation in our Student Council. Some of their activities have been to sponsor school spirit activities, a staff appreciation day, to register student voters, and form a lunch advisory committee and a school sign committee.

The highlight of our year has been the Conway voters' approval of the new school in Center Conway and additions to John Fuller and Conway Elementary School. Our school presently has 366 students enrolled in 17 classrooms, four of which are portable classrooms. We have decided the programs these children need, but lack the spaces needed to do it properly. The approval came as a great relief and a vote of confidence in what we are doing for children. Many thanks to all our supporters, the voters, the volunteers, the concerned and interested citizens. You help us in many ways.

SUPERINTENDENT'S REPORT

by Dr. William A. Jutras

"Growth" is, for yet another year, the word which describes our student enrollment at the elementary level, the quality of education, and community support for the nine schools in SAU #9.

Every elementary school has felt the impact of the changing population of the surrounding community. This is a time simultaneously of much apprehension and hope. We are concerned that it will be difficult to continue to provide strong instructional programs, and yet we know that if issues are thoughtfully and deliberately addressed, we will succeed. In my opinion, it is good to look to a future of growth and what that could bring.

It is encouraging that two communities have already met the challenge brought on by growth in enrollment. Tamworth residents supported a substantial addition and renovations to the K.A. Brett School, and Conway residents in a history-making vote, approved the construction of one new elementary school, and additions and renovations to two others. Not to be outdone, the districts of Bartlett, Freedom, Jackson, and Madison are making serious plans for improvement and expansion of physical facilities. Much of the pressure for these plans, in addition to population expansion, comes from significantly elevated expectations for quality from the State through its minimum standards, and from self-imposed standards of excellence in our schools.

In the latter case, we have selected the standards of the New England Association of Schools and Colleges. All eight elementary schools are not accredited by this organization. (Of course, Kennett High School already had this distinction.) We are among the first in the Northeast to have accomplished this, and it was through our own initiative that this happened. Aside from the status conferred, accreditation is a clear signal to the community that our educational professionals willingly open themselves to scrutiny by colleagues in other school system. Using standards of the association, strengths have been identified and recommendations made to serve as guidelines for further growth in the quality of education in the schools of SAU #9.

In the area of academics, our students have grown. Results on the California Achievement Test show an overall improvement, continuing the trend of the past several years. This has been due clearly to the leadership of principals and the skills and hard work of teachers. Curriculum efforts in Language Arts and Science are expected to yield dividends now and the next few years. Committees for Gifted and Talented and Health curricula are very active. Finally, Vocational Education will become an increasingly important facet in career preparation for many at the high school.

Concerned about the substance abuse problems for many youth, Kennett High School is leading the way toward solutions. A grant for train-

ing by the Northeast Regional Center for Drug Free Schools was awarded through the efforts of Conway School District's Substance Abuse Prevention Coordinator. Administrators, police, parents, students, teachers, and community members have become actively involved in solving problems associated with substance abuse. Sincere gratitude is extended to so many who have contributed to efforts thus far. The experience has been most heartening.

Special Education - Total School Involvement, has been this year's theme. Although still early, it is clear that there has been a heightened sense of awareness, understanding, and appreciation for the importance of serving our students with special needs. There is a nearly complete and expanded staff, and the tremendous work being done is being felt positively by students and parents alike.

Organization of this school administrative unit again was in the state's limelight. Conway's request to form its own SAU was denied by the State Board of Education this January. Nevertheless, multidistrict SAU's in New Hampshire will continue to be the object of study as student populations increase, and the urgency of local control causes some districts to feel that they can operate on their own. The matter of SAU #9's structure is far from settled. In the meantime, the addition of an Assistant Superintendent to the Central Office staff is permitting improved administrative services to the nine districts comprising the largest SAU in the state (based on the existence of nine independent school boards and the SAU board.).

The total student population in SAU #9 is now 2,583, with significant increases occurring in the elementary schools. Students are receiving a better education and are achieving in the classrooms and in interscholastic athletics. The communities are providing even more support for our schools by active participation in school affairs and by positive votes at district meetings. We are growing.

REPORT OF SCHOOL DISTRICT TREASURER

Eaton School District

Fiscal Year July 1, 1987 to June 30, 1988

Cash on Hand July 1, 1987 (Treasurer's Bank Balance)		\$ 23,724.01

REPORT OF

THE TOWN OF EATON PLANNING BOARD

As development continues to pervade rural communities such as Eaton, the concerns about preparing for its effects take on an increased importance. Consequently your planning board devotes an increasingly greater portion of its time and effort to plan for growth, the results of which are recommendations for additions and changes to present ordinances and regulations.

During 1988 and in January 1989 your board approved seven subdivisions and three boundary line adjustments, many of which involved preliminary discussions and, often, time-lengthy deliberations with occasional needs for professional legal input. During the year many topics and concerns have been addressed with decisions both made and pending relating to zoning, site plan and subdivisions amendments, dead end streets, road requirements, HISS applications, Life Safety code issues, legal considerations defending board positions, and cluster development provisions.

Regular meetings are scheduled for the third Wednesday of each month at 7:30 p.m. in the Evans Memorial Building (Town Hall): March 15; April 19; May 17; June 21; July 19; August 16; September 20; October 18; November 15; December 20; January 17, 1990; and February 21, 1990.

Respectfully submitted,
Stephen Biddle
Peter K. Blue
Robert D. J. Donahue
Mary P. Gospodarek
Donald R. Philbrick
C. Jerome Underwood
Richard H. Young

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire warden officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School
Administrative Unit No. 9 Board
School Administrative Unit. No. 9
Conway, New Hampshire

We have examined the general purpose financial statements of the School Administrative Unit No. 9 as of and for the year ended June 30, 1988, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the School Administrative Unit No. 9, at June 30, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the School Administrative Unit No. 9. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Zoning Ordinances, Subdivision Regulations, and Site Plan Review Regulations are free to taxpayers of Eaton. There is a \$10.00 fee for all others.

IF YOU HAVE A FIRE ... The Town of Eaton pays for all fire and rescue calls made by the Conway Fire Department out of tax monies; individuals pay nothing. You can save the Town a considerable amount of tax money by requesting your agent to include in your fire insurance policy — at nominal cost — a "Recovery Clause" which will pass on to the insurance company at least some of the cost of response by the Conway Fire Department. Contact the Selectmen or your agent for details.
